Hello CHAMPers,

Every year, the Healthy Families Program allows families to change their medical, dental and vision plans during Open Enrollment (OE). In past years, OE started on April 15th and ended on May 31st with new plan transfer start dates of July 1st.

Dates for Open Enrollment have changed: OE will begin July 15th and will end on August 31st with plan transfer start dates of October 1st.

Prior to OE, the Healthy Families Program will send families information in the mail. If a family has recently moved, they should notify the Healthy Families Program as soon as possible of their new address. Families can call (888) 439-4731 to notify the program of this change.

Please visit the [Healthy Families](#) website for information and be sure to check [CHAMP-Net](#) for future updates.

Thanks,

-The CHAMP Team
