

ASSISTOR TIPS

Healthy Kids Program “Assistor Tips”

- Remind families that they need to select primary care physicians before submitting their application. The list of available physicians and their codes is provided along with the applications order. This information is available online at <http://www.lacare.org>, go to For Members and then click on Find a Doctor.
- Families can seek application assistance through the First 5/ LA DHS Children's Health Outreach Contractors and California Endowment Outreach contractors.
- Currently there is a waitlist for the Healthy Kids program ages 6-18. Healthy Kids is still accepting applications. These children will be contacted when a spot is open. However, there is not waitlist for children ages 0-5.

If you have any questions, please contact the National Health Foundation for application assistance via the “Ask the Trainer” tool on the CHAMP-Net website at www.champ-net.org.
