

CaliforniaKids Program Re-Opens to New Enrollment

As of October 8, 2009, the CaliforniaKids Program has **re-opened to new enrollment** in **Los Angeles County**. CaliforniaKids is accepting applications for children ages 2-18 regardless of income, immigration status or medical condition. The cost is \$49 per child, per month and co-payment costs vary by service.

CaliforniaKids only covers the following **outpatient benefits**:

- Office visits
- Follow-up treatments
- Specialist/consultants
- X-rays
- Outpatient laboratory services
- Injectable medications (administered in doctor's office)
- Routine physicals and examinations (when ordered by your physician)
- Vision and hearing examinations
- Allergy testing and treatment (excluding serum and medication)
- Specific immunizations
- Health education
- Outpatient hospital services
- Diagnostic laboratory and radiology services
- Emergency Room Limit \$1,000 per year
- Outpatient hospital services (**no inpatient services**)
- Ground or air ambulance transportation
- Prescription drugs (brand name, generic or mail orders)
- Dental services: preventive diagnostic and restorative service
- Face-to-face evaluations with a licensed clinician at an office convenient to your locations
- 8 sessions are covered with a licensed clinician
- Easy access to services and crisis counseling 24 hours a day, seven days a week via a toll-free telephone number

CaliforniaKids does not cover any **inpatient and vision services**. For more information, please call the Customer Service Department at (818) 755-9700 or check the [CaliforniaKids](#) website for more updates.
