

Kaiser Permanente Child Health Plan Closing in Los Angeles County
Effective July 17, 2009

Kaiser Permanente Child Health Plan will be closed to new enrollment in Los Angeles County effective **Friday, July 17, 2009**.

KP Child Health Plan will now be closed indefinitely to new membership in all Southern California service areas.

All new KP Child Health Plan applications received in the Kaiser office in Oakland, CA after July 17, 2009, will be returned to sender. Agencies who submit KP Child Health Plan applications through One E App, will not have the ability to submit them after July 17th.

A future reopen date has not been determined. Please assist any families who might be eligible for KP Child Health Plan and are interested in enrolling immediately to ensure that they are able to enroll before program closure. Thank you for all of your work in helping families access health care coverage.
